Ancient Olympia, 03/08/2017

To: Mayor of Kaunas City
Mr. Visvaldas Matijosaitis

Att: President of
International Children's Games
Organizing Committee
Mr. Torsten Rasch

Honorable Mayor,

On behalf of Ancient Olympia's Municipality, I would like to express our outmost appreciation and deepest gratitude for hosting our delegation during the 51st International Children's Games held 04 - 09 July 2017, in the city of Kaunas, Lithuania.

The International Children's Games is an exceptional athletic event that unites young people and cultivates the spirit of solidarity and acceptance of diversity, creating strong athletes and great personalities.

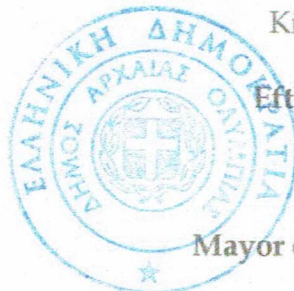

It was a great honor for our delegation to attend the games with all our young athletes, in the sports of football and track and field athletics. All the members of our delegation were very excited by the whole organization of the games and the venues, the warm hospitality of the organizers, the institutional representatives of the Municipality of Kaunas and of course the inexhaustible energy of the volunteers.

Our athletes' participation in the 51st International Children's Games was a unique experience for them, as they had the chance to experience this celebration of sports, but also get to learn and see more about your beautiful city. It was without doubt, an unprecedented trip for our young athletes who came back with great enthusiasm, having broadened their mental horizons.

Let me express a sincere hope for further cooperation and allow me to wish you all the success in your professional arena, inexhaustible energy, commitment, health and prosperity to you and your citizens.

Kind regards,

Efthymios Kotzas

Mayor of Ancient Olympia
